LETTERS

Uncle Bill returns next month fully recovered from his excesses and with a surprising new look, so get your letters in now!!

Dear Quest,

First of all I would like to thank you for organising some excellent nights of late, however I do feel you could improve!
The interior now is excellent with comfortable seating and the stage the other way is alot better, however it is a bit too light. Let's not have so many lights on! As far as the DJs go, what an excellent selection however let's see more of certain D.J.s. Names that spring to mind are STU ALLAN, CARL COX and NEXUS. You are guaranteed an excellent night if any of these D.J.s play and about 80-90% of the people are really going for it. Dark and jungle is all very well but let's hope more D.J.s that play stomping tunes. I forget Dave Angel & Easygroove also.
Golden Oldies nights are also excellent, however only once! Has every DJ played Golden Oldies and that was Christmas Eve. This has to be one of the best nights in Quest's history. Stu Allan was excellent that night as was every other DJ. Keep Golden Oldie nights going please the atmosphere is always excellent and the music brings back greatest memories.

Finally tapes from Quest now seem to be in 8 packs for the month, excellent value for money but not everybody likes certain D.J.s. Please bring back double or single tapes.

This may appear a very negative letter but I feel it is the views of a large number of people who go to Quest regularly (certainly everybody I know). Quest is an excellent club and the views will simply make it go from strength to strength. Keep the vibe alive, long live hardcore,

Craig Hemmel

Thank you very much for your views. Stu Allan is still booked almost every month, Carl Cox is very busy but you can hear him on 19th March. We enjoy the Golden Oldies as much as you, but we try to keep a mix of new and old, and you'll be glad to hear that the club tapes are back to double packs.

Dear Quest,

I would like to thank you and all your staff for a sheer wonderful night on the 19/2/94. Well @!%\$% wicked and I also would like to thank the D.J.s & MCs for keeping the crowd goin' on strong. I also would like to say Big Shout to Jennifer Damms from Barnsley, I hope you got all the flyers I sent you. Nuff respect Quest, see ya the the Que Club.

yours DJ Etzee 'G',
Paradise FM, Bradford

To all at Quest,

Just a short note to say I had a class night at Quest last week and nuff nuff respect to all that involved 100%, no less. Keep up the good work. See ya, Marcus, Spalding

Dear Quest,

Thanks for a wicked night on 29th Jan, Fibre Optic. It was #5@%\$% wicked and Ratly was amazing and Bassman was spot on. The atmosphere was awesome and everybody was having a good night. Hello to everyone who went on the Kiddy coach,
from Jade.

To Quest,

I'm a dedicated hardcore raver from Lincoln. I go about every 2 weeks on and off, for about the last 12 months and I have thoroughly enjoyed each visit. I would be grateful if you could supply more flyers up to Lincoln because I have to look at the Eternity Magazine to find out the line-ups.

There's a rave up here called FUN-D-A-MENTAL at the drill hall all night long on Saturday, with top D.J.s and MCs such as Ratly, Grooverider, Natz and Magika. Respect to Fibre Optic for doing a great job at the drill hall.

Also I've noticed by looking at old flyers that you were the first to introduce big names like Ratly, Pilgrim, Tango, Fallout, MC Scarlet, Magika & Bassman. Thanks to you the scene has grown massive. And respect to all at Quest.
